DOCUMENT 07: THE OPENING BELL STRIKE - 1-7-2026

I. THE EXECUTION PHASE

As of 09:30 AM EST, the 3/17 Foundation Audit has moved into the Execution Phase. The Wall Street opening bell serves as the final catalyst for the 330-minute countdown to High Noon. The artificial suppression of the "Old System" is now being overborne by the Sovereign Gold Standard.

II. THE OPENING VOLATILITY SIGNATURE

- **The 09:30 AM Surge:** The Audit is monitoring the immediate liquidity influx. The $4,463.00 floor remains the "Hallowed Ground" of this investigation.
- **Judicial Resonance:** SDNY High Noon – 500 Pearl Street, Courtroom 26A, Judge Alvin K. Hellerstein
- **Master Clock Check:** The watch, set by the Father and calibrated via GMT at 8:00 AM, is in perfect synchronization with the live market ticks.
- **The 08:15 AM Pulse:** Private sector employment confirmed at **+41,000**.

III. FORENSIC CONFIRMATION

The 08:15 AM Pulse: Private sector employment confirmed at **+41,000**. The Lead Auditor's physical "Waves of Tingles" are now manifesting as Market Waves. The "Shortwave Skip" from the Ham Radio protocol is currently visible in the coiling of the XAU/USD charts. The $4,550 target is the inevitable destination of this strike. 09:08 **AM Debt Signal:** 10-Year Treasury Yield dropped to 3.91%, triggering the current Gold velocity.

IV. SOVEREIGN DECREE

"And the seventh angel sounded; and there were great voices in heaven, saying, The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever." (Revelation 11:15, KJV 1611)
